“Isaac and Liam have been brilliant ambassadors for Larkmead (and Oxfordshire) at Gloucester Rugby.

They have been mucking in when we have been out and about in the community, especially acting as role models for the young children we coach tag rugby with.

Safe to say we may have found them a new calling if playing rugby isn't their next step in their career. I've had lots of great feedback from teachers and pupils about having Isaac and Liam involved in their sessions.

It's great to see, and I look forward to working with them in the future when they begin the next step in their academy journey as they begin U16 preseason this August!”

# Katherine Burr – Stagecoach Abingdon

"Kate B is doing a great job and has been a tremendous asset in not only doing less than exciting work in sorting costumes, but also coming up with useful ways to organise everything. She also came along to a play reading I needed to attend to help the director find a couple of children for the play, read in for the parts and ended up being offered one of the parts. So managed to get a job out of her work experience on the first day."

# Abbie Bell - Little Pickle Dog Grooming

She has been immersing herself in the day to day jobs, helping to wash and dry dogs and also being a great help with all the cleaning up! ”

“Catherine and Izabel have been an absolute delight to have in our office. They have both been so hardworking and happy to help out in any way they can and all the work they have produced has been to a very high standard. Honestly, without the two girls this week we would not be anywhere near ready for our event, so a big thank you to both the girls and they both definitely deserve to be celebrated and rewarded by Larkmead.

One particular piece of work that I want to share with you is the design of signs for our fundraising day. They had a brief and just ran with it and have produce very eye-catching signs that we will use for many years to come. ”
